CAREER OBJECTIVES:

Enthusiastic and dedicated postgraduate in Computer Science & Technology with a strong academic foundation and a keen interest in teaching and research. Possess and engaging manner. Seeking a lecturer position in a reputed institution where I can contribute to student learning, support academic development, and continuously enhance my teaching and subject knowledge good communication skills and the ability to explain complex concepts in a clear

SKILLS

Python; NumPy; Pandas; Scikit-learn; TensorFlow/Keras
Other languages: C, HTML, CSS
Data Structure and Algorithms
Database Management Systems (DBMS)
Machine Learning

PROJECT

Protein-Protein Interaction Prediction | 2025 - 2026
Protein-Protein Interaction Prediction using Deep Learning
Developed a CNN-based model for predicting protein-protein interactions.
Generated PSSM profiles using PSI-BLAST and SwissProt.
Performed sequence-based feature extraction and classification using a neural network.

EDUCATION PERSENTAGE/CGPA

M.TECH In Computer Science & Engineering

MAKAUT | 2024-2026 7.07

B.TECH In Computer Science & Engineering

IDEAL INSTITUTE OF ENGINEERING KALYANI | 2020-2023 9.22

Diploma In Computer Science & Technology

DARJEELING POLYTECHNIC INSTITUTE KURSEONG | 2018-2020 70.9%

PERSONAL DETAILS

Father Name: Satish Gurung

Mother Name : Laxmi Gurung

Address: Upper Village-Nahori,Post Office-Sonada,Tea Garden (Balasom)
Darjeeling,West Bengal,PIN-734209
